

EM Gateway Security System

True wide aisle system with modern looks, Gateway has arguably the best detection of any E.M system today.

Why Gateway?

- Corridor width upto 120mm for wheelchair, double buggy access and full social inclusion without loss of detection.
- Visual and audible alarm with variable sound.
- Multi aisle systems available.
- C.E Marked.
- Conforms to European regulations for Health & Safety.
- Translucent panels for greater visibility.
- Direct to floor or base-plate mounting.
- Operates with 3M, Knogo, Tale Tag and most Electro-Magnetic strips.
- Can be linked to door locks, gates, turnstiles and CCTV systems.
- Removable electronics for ease of repair without blocking corridors.
- Digital electronics with advanced filtering virtually eliminates false alarms.
- Patron counter available.
- Complete with satisfaction guarantee or full refund.
- A diverse range of payment plans available.
